

## Icebreaker - Pigpen Cipher

### Directions for using the Pigpen cipher:

- Use the Pigpen cipher above to decode your icebreaker question!
- Locate the symbol in the cipher chart that corresponds with the symbol for your coded letter.
  - » For example, the letter E is located in the upper right corner of the grid. The lines surrounding E look like . Since F is also in the same location, but listed as the second letter, a dot is located in the middle of the symbol, .
- Examples of letters with their corresponding codes are provided below:

### Directions for the Icebreaker:

- Use the Pigpen cipher to decipher your coded message.
- Find another person who has the same message as you.
- Answer the decoded message to find out something new about each other!
